Dear Mr. Hoffman:

With reference to the attached Certified Bid Tabulation provided by previous correspondence on September 20, 2019, we hereby recommend that the referenced Project be awarded to MJL, Inc. for a Total Lump Sum Bid of \$1,097,995.00 as the lowest, qualified bidder of the six (6) bids received.

Prior to submittal of the Bid Package to SCDHEC SRF for their review and award approval, a tentative Commission award resolution including the contractor's name and contract amount will be required.

Please advise if you require additional clarification or information at this time.
