2021 SOLID WASTE COLLECTION CALENDAR

The JIPSD Solid Waste Services department will provide garbage and trash collection per the attached schedule in 2021. If you are unsure of your collection day, please refer to the pickup schedule map at <https://www.jipsd.org>.

Helpful things to keep in mind:

- Please have roll carts, debris and/or bulk items at the curb no later than 6AM on your scheduled pick-up day.
- Yard debris is limited to a 4'x5'x15' foot pile. Small debris, such as leaves and twigs must be in paper bags, as plastic bags cannot be mixed with vegetative debris at the landfill.
- Man made debris should be separated from vegetative debris and is limited to either 2 bulk items or neatly piled small debris the equivalent of one claw scoop per week (about what would fit in a standard size roll-cart). Please bag or box small loose items to reduce potential litter.
- Contracted workers (whether yard or construction/demo) or homeowners are responsible for hauling related debris.
- Recycling is managed by Charleston County. Questions regarding their collection should be directed to (843)720-7111.

WASTEWATER REHABILITATION PROJECT

Over the next several months, JIPSD Wastewater will be conducting Phase 2 and Phase 3 of the Wastewater Collection Rehabilitation Project. Customers should be aware they may be affected by circumstances such as traffic pattern changes and wastewater system maintenance; however, minimal disruption is a primary goal of the project. The JIPSD aims that the project will improve the wastewater network structure and will support continued excellent service for customers in the future. Please check the JIPSD website and social media for updates on this project.

JIPSD is an Equal Opportunity Provider and Employer, a Drug Free Workplace, and an At-Will Employer. We Participate in E-Verify.
