

James Island Public Service District
Dedicated to Public Service Excellence

Sewer Rate Increase

Effective July 1, 2017, the James Island Public Service District will be implementing the second phase of a rate increase that was approved during last year's budget. The James Island Public Service District has had several on-going unfunded State and County mandated projects totaling, \$3,121,190 which has forced us to raise our rates. The cost to operate and maintain our wastewater system costs more each year. When we maintain our system, we are also protecting our environment and the health of our island.

Please find a breakdown of our monthly base and user charges below:

RESIDENTIAL

	Old Rate	New Rate
Base Charge	\$15.80	\$17.05
Volumetric Rate (per ccf)	\$ 4.65	\$5.02
Maximum Rate	\$80.90	\$87.36
Non-Metered (Wells)	\$43.70	\$47.17

(New Rates Effective 7/1/2017)

Hurricane Season Is Here!

5 THINGS TO KNOW ABOUT GETTING YOUR HURRICANE SUPPLIES

1 Food/Water - Get supplies well in advance, enough for each person for at least one week.

2 Medicine/First-aid - Ensure you have 30 days worth of medication and supplies. Pharmacies may be closed.

3 Communications - Have extra batteries for radios and a hand crank charger for your phone.

4 Gas - Fill up your car or a gas can beforehand. If the power goes out, you will be unable to pump gas.

5 Money - Have cash on hand. With no electricity, ATMs and credit cards will not work.
